Florist Instructions

Northside United Methodist Church | 2799 Northside Drive NW, Atlanta, GA 30305

Wedding Date and Time: _____ Location: Sanctuary [] Chapel []

Welcome to Northside Church!

We understand that décor is an important part of a wedding, and we desire that ours be a cooperative and successful relationship as we perform our duties on this holy occasion. Since the marriage ceremony is a service of worship, we ask that florists help us maintain it as such by adhering to the following guidelines. We have also provided measurements of containers as a helpful resource.

Sanctuary

Please do not place anything on the altar other than flowers or a memorial candle in either the Sanctuary or Chapel. Flower arrangements may not exceed the height of the arms of the cross, as the cross is the focal point of the altar. Altar candles always remain in their places at either side of the cross, and the Bible may be used upon request. The vases on the altar are 19" high (container inside should be 9.5") and are approximately 3.5" in diameter from lip to lip. Flowers should not extend above the arms of the cross (43" from altar to arms of cross). The vases may not be removed from the altar unless a large single unit is placed in the middle. Flowers may be arranged in the vases using liners or papier-mâché cones, which hold the oasis. Nothing may be removed within the Chancel.

Chapel

The cross may not be removed. The vases on the altar are 12" high and approximately 5" in diameter from lip to lip (31" from altar to arms of cross). The altar is 5'7" long and 18" wide. The aisle is 4'5" wide and 24' long.

Other Décor

You may place flowers and bows on the pews. You are not allowed to use nails, tacks, tapes, or other means that may damage the wood to secure flowers or other decorations to the church furniture, wall, or fixtures. We do not allow petals, rice, birdseed, or bubbles to be used during or after the service. You may choose to use candles in the window ledges as long as they are protected and collected following the ceremony. For safety reasons, aisle cloths/runners are not permitted. During the Lent, Easter, Advent and Christmas seasons, decorations cannot be changed in the Sanctuary or Chapel.

Delivery and Pick-Up

Flowers may be delivered **up to two hours before the ceremony**. If additional time is needed, please coordinate with the wedding coordinator. Florists or wedding party is responsible for removal and pick-up of any items used in the Sanctuary/Chapel immediately following the ceremony. **Items may remain no longer than one hour following ceremony** unless arrangements have been made to leave the altar flowers for Sunday service. All financial agreements and payments are between the florist and the client (bride/groom). Northside Church is not responsible for any breaches of agreement.

If all conditions are not met, Northside United Methodist Church reserves the right to refuse a florist to work in the church in the future.

We look forward to working with you on this forth coming wedding. If you have any questions regarding the above information, please email or call the Northside Wedding Coordinator, Estee Lassiter at EsteeL@NorthsideUMC.org or 678.298.5044.

Photography Instructions

Welcome to Northside Church!

We understand that photographs are an important part of a wedding, and we desire that ours be a cooperative and successful relationship as we perform our duties on this holy occasion. Since the marriage ceremony is a service of worship, we ask that photographers help us maintain it as such by adhering to the following guidelines.

Prior to the Service

If it is the first time you have taken pictures for a wedding at Northside, it is expected that you will attend the rehearsal or coordinate a separate appointment with the wedding coordinator. This is so that you may become familiar with the various spaces to be used on the wedding day and to avoid any confusion about expectations.

The wedding coordinator is responsible for directing the wedding. Photographers are to cooperate with the wedding coordinator and Production staff at all times. Your Northside wedding coordinator has the final say. **Pictures may be taken beginning 1.5 hours before the wedding and must be completed 30 minutes before the ceremony.** Prior to the ceremony, pictures may be taken outside the facilities, in the Parlor (please leave all Parlor furniture in its original location), in the Chapel, and in the Sanctuary.

The bride/groom or wedding party may NOT be taken off site before the wedding ceremony for pictures. This should take place before they arrive, two hours before the ceremony, if needed. To avoid being seen by the guests or groom before the ceremony, the bride must be back in the Bride's Room 30 minutes before the wedding ceremony begins.

During the Service

The photographer can only take photos in the Narthex during the processional, and should remain in the balcony of the Sanctuary during the service. No flash photography is allowed during the ceremony. If interested in having an unmanned camera in the Sanctuary, please inform your Northside wedding coordinator.

After the Service

The officiating Northside pastor will be glad to participate in the first photograph following the ceremony. Please take pictures involving the Northside pastor first. Immediately at the end of the recessional, the wedding party is directed by the wedding coordinator to the correct place to allow guests to leave the church. This keeps guests from stopping the wedding party and will optimize your time for taking pictures after the ceremony. **Pictures following the ceremony must be completed within 30 minutes.**

Photographers must dress in attire appropriate for Church; all black is suggested. All financial agreements and payments are between the photographer and the client (bride/groom). Northside Church is not responsible for any breaches of agreement.

If all conditions are not met, Northside United Methodist Church reserves the right to refuse a photographer to work in the church in the future.

We look forward to working with you on this forth-coming wedding. If you have any questions regarding the above information, please email or call the Northside Wedding Coordinator, Estee Lassiter at EsteeL@NorthsideUMC.org or 678.298.5044.
