Thank you for helping us  
end hunger in Metro Atlanta.

Meet our community partner:

**MISSION:** Buckhead Christian Ministry (BCM) provides life-changing services for individuals and families experiencing various stages of hunger or homelessness in Atlanta.

### 5 Quick Facts:

1. Northside Church, along with 5 other churches, founded BCM in 1987 as an emergency assistance provider.
2. BCM's Emergency Assistance program serves those in our community who are going through a crisis—most commonly due to illness, death in the family, or job loss.
3. BCM provides those in need with access to a food pantry, pays a portion of bills to keep people housed, helps with resumes and finding jobs, and provides clothing from the Thriftique.
4. This Food Drive goes to stock the food pantry at BCM with the items they need most. In addition, all of your clothing donations placed in the Donation Center at the church are donated to the BCM Thriftique.
5. In 2018 Northside Church gave \$30,000 in financial support to BCM.

BCM is located in Buckhead near the corner of East Wesley and Piedmont Road. They have a variety of ways you can volunteer.
